Annual Report of the Independent Review Committee  
of the Horizons ETFs Group of Funds

March 21st, 2022

Dear Securityholder,

In accordance with National Instrument 81-107 Independent Review Committee for Investment Funds (“NI 81-107” or the “Instrument”), the Horizons ETFs Management (Canada) Inc. (the “Manager”) established an Independent Review Committee (the “Committee” or “IRC”) for the Funds in April 2007. As a result of a change in control of the Manager, a new IRC was appointed by the Manager on November 15, 2011. The IRC has functioned in accordance with the applicable securities laws and is composed of three individuals, each of whom is independent of the Funds, the Manager and “each entity related to the Manager” (as such term is defined in the Instrument).

Accordingly, the IRC is pleased to publish its annual report to securityholders for the funds listed at the end of this Report (the “Funds”) covering the period from January 1, 2021, to December 31, 2021 (the “Reporting Period”).

Mandate of the IRC

In accordance with the Instrument, the mandate of the IRC is to consider and provide decisions to the Manager on conflicts of interest to which the Manager may be subject when managing the Funds. The Manager is required under the Instrument to identify potential conflicts of interest inherent in its management of the Funds, to develop written policies and procedures guiding its management of those conflicts, and to request input from the IRC on those written policies and procedures (referred to as the “Conflict of Interest Matters Manual”)

When a conflict matter arises, the Manager must refer its proposed course of action in respect of such conflict to the IRC for its review. While certain matters require the IRC’s prior approval, in most cases the IRC will simply provide a decision to the Manager as to whether, in the opinion of the IRC, the Manager’s proposed action provides a fair and reasonable result for the Funds. For recurring conflict of interest matters, the IRC can provide the Manager with Standing Instructions (“SIs”) that enable the Manager to proceed with certain matters without having to refer them to the IRC each time for approval, provided the Manager deals with the conflicts in accordance with the SIs.

The IRC is empowered to represent the best interests of the Funds in any matter where the Manager has referred a conflict of interest matter to it. In those cases, the IRC has sought to ensure that the Manager’s proposed course of action represents a fair and reasonable result for the Funds.

The IRC has engaged Independent Review Inc. to assist it in its duties in accordance with the provisions of the Instrument and the IRC’s Written Charter, to provide certain administrative and record keeping functions, and also to act as the IRC’s independent Secretariat.
Composition of the IRC

The current members of the IRC, and their principal occupations, are as follows:

Warren Law was re-appointed on November 15, 2021, for a period of three years with effect from November 15, 2021. The re-appointment extended Mr. Law’s total years of service beyond the 6-year term limit set out in the Instrument. However, the Manager has provided its consent to and agreement with the re-appointment beyond the 6-year term limit in accordance with the provisions of the Instrument.

Compensation and Indemnification

Review of Compensation

At least annually, the IRC reviews its compensation, considering the following:

- the nature and extent of the workload of each member of the IRC, including the commitment of time and energy expected from each member;
- the number of meetings required by the IRC, including special meetings to consider conflict issues brought to the Committee;
- industry best practices, including industry averages and surveys on IRC compensation; and,
- the complexity of the conflict issues brought to the IRC.

Members’ Fees

In aggregate, the IRC members were paid $40,000 in 2021 for the Reporting Period, plus applicable taxes.
Indemnities Granted

The Funds and the Manager have provided each IRC member with a contractual indemnity in keeping with NI 81-107. No payments were paid to the IRC members pursuant to this indemnity by the Funds or the Manager during the Reporting Period.

Disclosure of IRC Members’ Holdings

As of December 31, 2021, the IRC members did not beneficially own, directly or indirectly:

- any units in any of the Funds;
- any interests in the Manager; or,
- any interests in a company or person that provides services to the Manager or any Fund.

Decisions and Approvals

On January 20, 2021, the Manager proposed to change the name, investment objective and investment strategy of Horizons Active Floating Rate Preferred ETF (“HFP”). The change in investment objective raised a potential conflict of interest. After reasonable enquiry and based on the information provided to the IRC by the Manager, the IRC concluded that the Manager’s proposed course of action to change the name, investment objective and investment strategy of HFP achieves a fair and reasonable result for this ETF.

On January 20, 2021, the Manager proposed to merge two ETFs, Horizons Active Emerging Markets Dividend ETF, and Horizons Active US Dividend ETF (the “Terminating ETFs”), into Horizons Active Global Dividend ETF. After reasonable inquiry and review of the materials provided and discussion during the meeting, the IRC determined that the Manager’s course of action to convert the ETFs from mutual fund trusts into a series of classes in a mutual fund corporation achieved a fair and reasonable result for each of the ETFs.

On September 27, 2021, the Horizons ETFs Management (Canada) Inc. (the “Manager”) proposed the merger of Horizons Morningstar Hedge Fund Index ETF (the “Terminating Fund”) into Horizons Resolve Adaptive Asset Allocation ETF (the “Continuing Fund”). After reasonable inquiry and review of the materials provided, the IRC determined that the Manager’s proposed merger of the Horizons Morningstar Hedge Fund Index ETF into the Horizons Resolve Adaptive Asset Allocation ETF provided a fair and reasonable result for the Horizons Morningstar Hedge Fund Index.

Standing Instructions (“SI”) Approved

A Standing Instruction which constitute a written approval or decision from the IRC that permit the Manager to proceed with the specific action(s) set out in the SI on an ongoing basis, without having to refer the conflict of interest matter or its proposed action to the IRC, provided that the Manager complies with the terms and conditions of the SI. In each case, the SI required the Manager to comply with its related policy and procedures and to report periodically to the IRC.
The IRC has approved six standing instructions (“SIs”) of which three are active. An SI constitutes a written approval or decision in each case from the IRC that permits the Manager to proceed with the specific action(s) set out in the SIs on an ongoing basis. The Manager can do so without having to refer the conflict of interest matter or its proposed action to the IRC, provided that the Manager complies with the terms and conditions of the SI. In each case, the SI required the Manager to comply with its related policy and procedures and to report periodically to the IRC.

**Standing Instruction Number 2: Transactions in Debt Securities of Related Issuers**
**Standing Instruction Number 3: Use of Mirae Asset Securities and/or its Affiliates as Executing Broker and/or Derivatives Counterparty**
